

East Coast Academy of Feng Shui

Advanced Classical Compass Feng Shui Certification Training

The Advanced Classical Compass School Feng Shui Certification Program introduces you to advanced techniques to aligning your home with magnetic compass directions to achieve harmony and balance in your life. We will delve into the ancient wisdom of the Lo Shu square and Tri-

grams for the modern world based on the foundations of Chinese philosophy. Learn how to find your own personal Trigram or Ming Gua, your personal directions for Health,

Wealth, and Harmony. Become skilled at balancing East and West group compatibility with the introduction of BaZhai and the eight portents. You will gain an understanding of the ancient Feng Shui wisdom and be able to use techniques encoded in the traditional Chinese compass - the Luo Pan to improve the quality of life. This knowledge consists of Flying Star (Xuan Kong Fei Xing) or Time and Space Feng Shui, chart construction and interpretation, Uncover the secret of Feng Shui success, with yearly and monthly stars combinations and curing inauspicious combinations, Imprisoned Stars, and Ming Gua applications.

East Coast Academy of Feng Shui

Advanced Classical Compass Feng Shui Certification Training

Expand your Feng Shui resume and broaden your knowledge to increase your marketability as a Feng Shui Consultant and enjoy greater profitability and long-term clients! Compass School Practitioners earn 3 to 5 times more than Form School Practitioners and work with clients over a period of 6 months to a year or more! Bring greater credibility to your practice by providing scientific (compass reading) proof to support your recommended enhancements. Learn how to "read" the energy of a building to determine the exact location to implement the most powerful cures. Expand your clientele and become a valuable asset to Architects, Contractors and Designers to make scientifically calculated recommendations for new building construction and remodeling.

Tuition

The tuition for the training program is \$1500, \$1300 with early-enrollment discount. A registration fee of a \$150 is due at the time of registration to be submitted with application. The remainder is due in full 10 days before class begins. If you would like to be eligible for the early-enrollment discount, tuition in full is due 30 days prior to your starting class date you will receive a \$200 discount. A "Bring a Friend" discount of \$200 will be given to anyone who enrolls a friend to do the training at the same time (\$100 per person). MasterCard and Visa, Discover and American Express are accepted. Classes are kept small for a personalized learning experience and fill up quickly. Participants who want to insure a place in a later training program are encouraged to pay the registration deposit of \$150 right away to hold their place for a future program.

Cancellation Policy

Refund of the registration fee or tuition will not be given for the training programs if a student has to cancel. If a student finds they have a conflict with the date after they have enrolled in the program, or an emergency has come up, they may take the program at any other available date or location or transfer it to someone else. However, if the class has to be canceled for some reason, the student will receive a full refund.

Requirements

Once a student has completed the training program and successfully completed the homework assignments, they will be awarded an Advanced Classical Compass Feng Shui Practitioner Certification from the East Coast Academy of Feng Shui.

Pre-requisite

Students must have attended the East Coast Academy of Feng Shui earning the Feng Shui Practitioner Certification or a similar training with a strong knowledge of the Five Elements.
